

Certificate

The Twist & Sprout Certificate recognizes the excellence of Minnesota child care providers who:

- Properly handle, label and store breast milk
- Have vegetables on their menus twice each day
- Serve family-style meals
- Provide adequate time for active play
- Have a wellness policy that addresses healthy eating, physical activity and breastfeeding support

The application is in two parts:

1. Complete a short questionnaire
2. Submit your documentation*

*The documentation required is a picture of a properly-labeled bottle, a week of menus, a picture of your table set family-style, a daily schedule and a wellness policy. Apply electronically, by mail or fax.

Recipients of the Twist & Sprout Certificate will receive:

- A certificate suitable for framing in their child care home
- A postcard to give to parents about their accomplishment
- Recognition on the Providers Choice website as a Twist & Sprout Certified child care program
- A marketing advantage for potential families
- The good feeling that they are doing what is best for children
