The Magic of Healthy Living

Home Study Training

Directions:

Please read the following information about *The Magic of Healthy Living* this year's training, and answer the questions on the Quiz page. Click the Submit button when you have finished.

Training Hours:

You will meet your annual Food Program training requirement and receive a certificate of training for one hour by completing this home study. Check with your licensor to determine if home study training hours can be counted toward the hours required to maintain your child care license.
